Asset Management & Trust Services

Expertise.

Our Trust Officers are experts in wealth management and trust administration. Whether you need investment management, personal trust administration, or property management, you can rest assured your plans will be carried out exactly as you wish when you make them with our team.

As corporate fiduciaries we have the time, training, experience and personal touch to ensure the success of your long- and short-term financial goals.

Professional Objectivity.

Our local team of professional and friendly Trust Officers sets us apart from the rest. You can be assured that our quality unbiased investment counseling is driven by facts and laws, not emotions. This professional objectivity can minimize or even eliminate potential conflicts.

We've been serving the needs of our communities for decades and offering valuable experience you can rely on.

Personal Touch.

At Heartland Bank, our first goal is to get to know you and your unique situation. Our professional staff's motivation lies in helping you reach your goals, not in making a commission on sales.

We'll design a customized program that meets your goals and makes life a little less complicated. We offer assistance to build, maintain, diversify, protect, or transfer your family's financial assets.

We are professionals you can count on, call any time, and meet with on an individual basis. Being your financial advisor is important to us, and our goal is to build a strong relationship with every client.

We're here for you!
